Expected Graduation Date May 2027

Projects

Roommate Finder App:
UX Design Team Project

Spring/Summer 2025

- Worked with a team of four in a UX Design class to design a roommate matching app specifically for Siena students.

- Conducted user research, built personas, and created an interactive wireframe and mockup using Figma. View the [Figma Prototype].

- Co-presented the idea to Siena's head of Student Life, who was excited about the concept and its potential on campus.

- Currently working on next steps to grow the project with support from Student Life over the summer.

Software

- Proficient with Adobe Creative Suite (Ilustrator, ,Photoshop, Lightroom Classic, experience with InDesign)
- Figma
- Experience with Visual Studio Code (HTML, CSS, Javascript)

Awards

- Community Service Award
- Dean's List Spring 2023

Languages

- English

- Russian

Experience

Siena Creative Arts Department
Graphic Designer   August 2024 - Present

- Design posters for department events using Adobe Illustrator, building original concepts around a given theme and incorporating the department logo.

- Take creative lead on each project and consistently meet deadlines while balancing a full course load.

Summer Scholars Reserach:
Siena Beverage Institute   May 2024 - Present

- Research the history, production, and tasting notes of a wide range of beverages to help create educational content for tastings and events.

- Present drinks to alumni, faculty, and campus leaders in an approachable way, sharing tasting notes, background, and pairing suggestions.

- Create visuals for social media and event materials: designing tasting sheets, photographing and filming events, and helping produce content for both Institute projects and external partners.

Laudato Si' Center for Integral Ecology,
Graphic Designer   Summer 2024

- Worked with Franciscan friars to design posters for the Fall 2024 Symposium on Integral Ecology, creating visuals that reflected the center's values and message.

- Designed custom stickers, a backdrop, and a banner for the center to use at future events, keeping everything consistent with their visual identity.
